

Vaccine Clinic Consent Form Email

Dear Hayes Parents,

As you are aware, Delaware Public Health District is partnering with local schools to provide onsite vaccination clinics for those students interested in receiving the COVID-19 vaccine. If you are not interested in the vaccine, you may disregard this email. Parents who are interested, please read the following information very carefully:

The vaccination clinic for Hayes students in COHORT B and in the ONLINE ACADEMY will be Thursday, April 15 from 12-1:30pm (a separate clinic will be scheduled for COHORT A students and a registration link will be provided at a later time.)

- Students must turn age 16 before Thursday, April 15, 2021 (no exceptions can be made per the health dept.).
- The Pfizer vaccine will be utilized at the student clinics as it is currently the only vaccine approved for people age 16 & 17.
- Your student must be able to be at Hayes High School between 12:00-1:30pm on Thursday, April 15.
- This clinic is for students receiving the 1st dose of the vaccine only.
- There is no cost to individuals to receive the vaccination.
- If your student is in quarantine or isolation from a COVID exposure, they are not permitted to attend the clinic.

If your student is in COHORT B or is in the ONLINE ACADEMY and you wish for them to receive the vaccination AND they meet the above criteria, please complete the registration & parent consent form below by Wednesday, April 14 at 12:00pm (this is a firm deadline established by the health department so they can prepare for the clinic). If you have questions regarding the vaccine, please contact DPHD at (740) 368-1700.
