

2021 Summer Youth Work Experience

Delaware County

Finding a job can be a challenge for youth. You must determine what careers are available, what your interests are, and what skills you have or need to develop.

Our Work Experience Program helps you gain work skills, improve your communication skills and your ability to work with others. You will develop a work history, as well as gain experience to prepare you for long term employment and independence.

Work Experience is five weeks long and includes one day of classroom instruction. The entire session is paid work experience.
