Volleyball

This camp will help teach and reaffirm student's fundamental volleyball skills through new and exciting drills and games! These skills include hitting, setting, serving, spiking, passing, and more.

Nerf

In this camp, students will take their Nerf game to the next level with a week of exciting activities including battle-royale style matchups, team building exercises, safety drills, and more!

Art Exploration

In this camp, your child will discover the basics of artistic creation using a variety of different mediums and techniques. If your child loves exploring their creative side, this camp is perfect for them.

Fishing

In this camp, your child will learn the basics of fishing from an experienced instructor at our pond behind the YMCA. No experience or supplies required! To reflect the cost of the gear needed, this camp includes a \$15 additional fee per participant.

Superhero Week!

Does your child love superheroes? In this mini-camp, students will learn about their favorite superheroes from across the universe through exciting games, comics, and more! Campers will also get to create their very own super hero with their choice of superpowers and abilities.

Playground Games

Gaga, Ultimate Frisbee, Pickleball, Capture the Flag, Dodgeball, Kickball, and more! This week, all of our favorite playground games will be played with an emphasis on fun and sportsmanship.

Science Exploration

Explore the exciting world of science through chemistry! Each day will be a new experiment where we will create a substance or witness an awesome chemical reaction. This camp includes a \$10 additional fee per-participant for supplies.

Adventure Unlimited

Scavenger hunts, relay races, parkour, and more. If your child is interested in a life of adventure, this camp is perfect for them. This camp will feature indoor and outdoor components.

Soccer

This camp focuses on the fundamental soccer skills through fun drills and mini-games. Campers will learn basic defensive techniques, dribbling, passing, shooting, footwork, throw-ins, and more!

Music and Singing

Does your child love making music? In this camp, students will learn the basics of music-making and get to experience the fun of singing in a group!

Martial Arts

This week, campers will spend their time learning the basics of martial arts and self-defense from a black belt instructor!

Basketball

This camp will help teach new and experienced players the fundamentals of basketball in an exciting way. Players will use drills and mini-games to improve their skills. Campers will learn dribbling, passing, shooting, defensive footwork and positioning, offensive awareness, and more!

Community Impact

The YMCA is a community organization, and this week campers will learn how they can have an impact in our community inside or outside of the Y.

Under the Stars

This week, campers will learn the basics of outdoor skills, from camping to cooking and more.

Cooking

In this camp, students will explore the basics of culinary art. Throughout the week, students will experiment with pancake batter, homemade pizza-making, cupcake decorating, and more! This camp includes a \$20 additional fee per-participant for supplies.

Super Slime

This week, campers will learn the art of slime-making in a series of messy activities! Campers will experiment with different ingredients and recipes to create the perfect slime.

Splish Splash

Let's cool off from the heat of summer with an entire week of water activities! Campers will go swimming, play on the Slip 'N Slide, battle with water blasters, and more in this thrilling water-themed mini-camp.

BASE PRICING: Family membership \$65, Youth membership \$80, Non-members \$95.

All camps follow this pricing structure unless noted in the description.
